PDF 'TEXT ONLY' VERSION: THE BEAST'S VISION 2030 = '666'. PDF

I have been prophesying for seven (7) years that 'MbS' (Man-by-Satan) is the Prince, Beast, Antichrist whom is referred to in the Bible's Book of Revelation (last book in the New Testament). My intent is not to scare or alarm you, but to REVEAL that the 'Four Horsemen of the Apocalypse' (Revealing) are about to ride.

Daniel:

[Daniel 8:16](#) And I heard a man's voice from the Ulai calling, "Gabriel, tell this man **THE MEANING OF THE 'VISION'.**" [2030]

[Daniel 8:17](#) As he came near the place where I was standing, I was terrified and fell prostrate. "Son of man," he said to me, "**UNDERSTAND THAT THE 'VISION' [2030] CONCERNS THE TIME OF THE END.**"

[Daniel 8:19](#) He said: "I am going to tell you what will happen later in **THE TIME OF WRATH, BECAUSE THE 'VISION' [2030] CONCERNS THE APPOINTED TIME OF THE END.**

[Daniel 10:14](#) Now I have come to (7) explain to you what will happen to (7) your people in the future, for **THE (7) 'VISION' [2030] CONCERNS A TIME YET TO COME.**"

[Daniel 9:23](#) As soon as you began to pray, a word went out, which I have come to tell you, for you are highly esteemed. Therefore, consider the word and **UNDERSTAND THE 'VISION':** [2030]

THERE IS NO REASON TO (7) FEAR, PANIC OR 'HEAD FOR THE HILLS.' THE (7) BRIDE OF CHRIST, THE TRUE CHURCH REMNANT (7) WILL BE RAPTURED VERY, VERY, VERY SHORTLY!!! (777)

(7) THE HOLY SPIRIT HAS REVEALED SEVEN REASONS:

1. *God's Desire is to 'REVEAL' and 'NOT CONCEAL.' God has previously indicated that His people can perish due to 'lack of knowledge.' This requires proof, understanding, discernment, prophetic vision and the Grace of God in His provision for Christ's Sheep.*
2. *The revelation of this completes another prophecy that gives God glory. God indicates to His Church, that He tell us these things, so that when they come to pass, we will know that it is Him.*
3. *Logic demands a response to truth or wisdom. 'As You See These Things Come To Pass, Know That Your Redemption, Rapture, Harpazo, Catching UP, 'Twinkling of an Eye' or 'In a Moment' is literally 'IMMINENT.'*
4. *MbS, although 'hidden' to most of the sleeping world, is the Biggest Figure Rising Up or 'Standing Up' on the world's Geo-Political Arena. This is very well documented by this Watchman, and several other confirming souls.*
5. *The following information is intended to convey the depth, breadth and scope of Mohammed bin Salman's 'grafting into' the World Economic Forum, and the other major entities completing the Beast's System of One -World Government. Be a 'Berean' do your own geo-political research, two or three Watchman confirm a matter. Be a Watchperson.*
6. *Revelation of this should generate a 'FEAR OF THE LORD' among those who are unsaved and perishing, and to those souls 'sitting on a fence' regarding their acceptance of Jesus Christ's Offer Of Salvation.*
7. *For those Tribulation Saints who read this over the next SEVEN (7) YEARS, YOU WILL KNOW WHO THE MAN-BY-SATAN (MBS) IS: Prince, Beast, Antichrist, 8th King of Saudi Arabia, One-World Government Leader, Man of Lawlessness, Man of Sin, the Assyrian, the 'Little Horn'. Read recent online postings that will indicate he 'CONFIRMED' or 'AGREED TO' Normalize 'relations' with Israel. FOR SEVEN (7) YEARS.*

(7) A 'SON OF MAN', 'WATCHMAN', 'SERVANT', 'PROPHET'

1. [Zechariah 12:3](#) *And in (7) that day will I make Jerusalem a (7) burdensome stone for all people: **all that (7) burden themselves with it shall be cut (7) in pieces**, though all the people of (7) the earth be gathered together against it. (77777)*
2. [Isaiah 21:6](#) *For (7) thus has the Lord said to me: "GO, SET A (7) WATCHMAN, LET HIM DECLARE WHAT HE SEES." (77)*
3. [Ezekiel 3:16-17](#) *Now it came to pass at (7) the end of seven [7] days that the (7) word of the Lord came to me, (7) saying, "**SON OF MAN, I HAVE MADE (7) YOU A WATCHMAN** for the house of (7) Israel; therefore hear a word from My (7) mouth, and give them warning from Me:*
4. [Ezekiel 33:1-2](#) **THE WATCHMAN AND HIS MESSAGE.** *Again the word of the Lord came to me, saying, "Son of man, speak to the children of your people, and say to them: 'When I bring the sword upon a land, and the people of the land take a man from their territory and **MAKE HIM THEIR WATCHMAN,***

5. [Ezekiel 33:6-7](#) *But **IF THE WATCHMAN SEES THE SWORD COMING AND DOES NOT BLOW THE TRUMPET**, and the people are not warned, and the sword comes and takes any person from among them, he is taken away in his iniquity; but **HIS BLOOD I WILL REQUIRE AT THE WATCHMAN'S HAND.**' "So you, **SON OF MAN: I HAVE MADE YOU A WATCHMAN** for the **HOUSE OF ISRAEL**; therefore you shall hear a **WORD FROM MY MOUTH AND WARN THEM FOR ME.***
6. [Revelation 10:5-7](#) *The angel whom I saw standing on the sea and on the land raised up his hand to heaven and swore by Him who lives forever and ever, who created heaven and the things that are in it, the earth and the things that are in it, and the sea and the things that are in it, **THAT THERE SHOULD BE DELAY NO LONGER**, but in the days of the sounding of the seventh angel, when he is about to sound, **THE MYSTERY OF GOD WOULD BE FINISHED**, as **HE DECLARED TO HIS SERVANTS THE PROPHETS.***
7. [Revelation 10:8-10](#) *Then the voice which I heard from heaven spoke to me again and said, "Go, take the little book which is open in the hand of the angel who stands on the sea and on the earth." He said to me, "**YOU MUST PROPHECY AGAIN ABOUT MANY PEOPLES, NATIONS, TONGUES, AND KINGS.***

THE BOOK OF DANIEL AND THE BOOK OF REVELATION. 'BOOKENDS,' THE 'TRANSITION' FROM 'CLOSING THE BOOK' TO 'OPENING THE BOOK'

<https://www.youtube.com/shorts/aKeTvJuCDcY>

The Mighty Prophecy Angel 'Opening' God's 'Little Prophecy Book': "That There Should Be Time No Longer (No Longer Delay). In Revelation 10, the angel is opening up the ancient scrolls and 'little book' of prophecy that Daniel was told to 'SEAL UP'.

Revelation 10 *And I saw another **mighty angel** come down from heaven, clothed with a cloud: and a rainbow was upon his head, and his face was as it were the sun, and his feet as pillars of fire:*

10:2 And he had *in his hand a 'little book open'*: [NWN; Daniels 'little book' is now being opened by God's Great Angel of Prophecy] *and he set his right foot upon the sea, and his left foot on the earth,*

10:3 *And cried with a loud voice, as when a lion roareth: and when he had cried, seven '7' thunders uttered their voices.*

NWN; I 'discern' that these are seven '7' other great prophecy angels who are 'confirming' that **NOW IS THE TIME to OPEN DANIEL'S 'END TIME' Book of Future Prophecy.'**

10:4 And when the *seven '7' thunders had uttered their voices, I was about to write: and I heard a voice from heaven saying unto me, **Seal up those things which the seven '7' thunders uttered, and write them not.***

10:5 *And the angel which I saw stand upon the sea and upon the earth lifted up his hand to heaven,*

10:6 *And swore (7) by him that liveth forever and (7) ever, who created heaven, and the things (7) that therein are, and the earth, and (7) the things that therein are, and the (7) sea, and the things which are therein, (7) that there should be time no longer: (777777) 6x7*

NWN: The Great Prophecy Angel is proclaiming the '**LAST DAYS or END TIMES**' have come, in no uncertain terms, and that **NOW IS THE TIME** to reveal prophecy related **TO the Last Days or End Times and Tribulation.**

Revelation 10:7 *But in the (7) days of the voice of the seventh (7) angel, when he shall begin to sound, (7) the mystery of God should be finished, as he (7) hath declared to his servants the prophets.*

Seven '7' (7) is God's Divine Number denoting completion to (7) his plan or purpose for this '7th' prophecy (7) angel to commence and complete prophecy related (7) to the **Last Days and End Times. (7777)**

JOHN 'EATS' THE LITTLE BOOK GIVEN TO HIM BY THE GREAT PROPHECY ANGEL

Revelation 10: 8 *And the (7) voice which I heard from heaven spake (7) unto me again, and said, Go and (7) take the little book which is open. (777)*

NWN: The great prophecy angel is **NOW HANDING the little book to physically alive men on the earth during the 'End-Times' or 'Last-Days.'** God conveys prophecy to Angels who in turn are 'messengers' of God's prophecy to mortal men alive. Angels, throughout the past 6,000 years have been 'messengers' for God to mankind.

10:9 *And I went unto the angel, and said unto him, Give me the little book. And he said unto me, Take it, and eat it up; and it shall make thy belly bitter, but it shall be in thy mouth sweet as honey.*

NWN; this is a 'discernment' on my part. 'Take it and eat it' is a spiritual 'consumption' of understanding the End Times and God's related prophecies to go along with 'signs of the times.' It takes (7) knowledge, wisdom, obedience, humility, persistence, prayer and the Holy Spirit' to work prophecy in man'kind.

This is a great and wonderful thing, just like a seven course meal. However, once the prophecies are apparent 'consumed and understood' they will be prone to make one sick to the stomach because of what they foretell.

God's **UNFILTERD WRATH** poured on evil man'kind who refuse Him, and refuse His Son Jesus Christ and His eternal offer of salvation. Seeing prophecy happen and unfold is a wonderful and miraculous thing. Understanding the implications of seeing prophecy unfold, leaves one's

stomach bitter and sour because of the ‘gastrointestinal storm’ that is coming. Pass-the-antacid-pills, please.

10:10 And *I took the little book out of the angel’s hand, and ate it up; and it was in my mouth sweet as honey: and as soon as I had eaten it, my belly was bitter.*

NWN; the prophecy angel was prophesying what would happen to anyone who attempted to reveal what was in the ‘little book.’ This verse ‘confirms’ that what was prophesied, did in fact occur and was experienced by those given the task of being Watchmen. This also ‘suggests’ that some men are ‘willingly’ allowing themselves to be Watchmen because they consciously love prophecy (God’s Word) and are completely open and receptive to it.

10:11 And he said unto *(7) me, Thou must prophesy again before many (7) peoples, and nations, and tongues, and kings.*

NWN; since this is verse ‘11’ it suggests a **WARNING(S)**. The purpose of prophecy is to inform, proclaim and **WARN**. It suggests that the Watchmen who proclaim the Word of God, will have their ‘7’ words, letters, videos, blogs, sermons, articles and books proclaim God’s WILL to those during the End Times / Last Days and Tribulation period.

HIS VISION 2030'S BROAD IMPACT

The initiatives under **VISION 2030** have expanded into various sectors, demonstrating Saudi Arabia's commitment to diversifying and sustaining its economy beyond oil and gas. The vision has catalyzed the potential of all economic sectors, enhancing the nation's wealth and utilizing its natural resources alongside developing and empowering human capital. Under the guidance of Prince Mohammed, **VISION 2030** continues to achieve milestones, laying the foundation for a diversified and sustainable economy that leverages its strategic geographic and economic position on the global stage.

Since the launch of **VISION 2030** on April 25, 2016, under the directive of King Salman bin Abdulaziz and Crown Prince Mohammed bin Salman, Saudi Arabia has undergone an unprecedented historic transformation. This transformation is characterized by remarkable growth that supports **THE VISION'S** goal of creating a prosperous and promising future through economic growth and improved quality of life.

As [Saudi Arabia](#) moves past the midpoint of its ambitious **VISION 2030** journey, first and second-level performance indicators show significant progress toward the 2030 targets, with some metrics even surpassing their goals.

They are writing the next chapter in 2024 — a year of unrivaled opportunity for the Kingdom and anyone who wants to be part of the story.

Launching the economic diversification plan in 2016, Crown Prince Mohammed bin Salman vowed to improve the Kingdom's business environment, allowing the economy to flourish and drive employment opportunities for citizens and long-term prosperity for the nation. From increasing foreign direct investments, growing the number of small and medium-sized enterprises and opening up new streams in fields like tourism and entertainment, the nation documented a record contribution from non-oil earnings.

25 And through his (7) policy **ALSO HE SHALL CAUSE CRAFT TO (7) PROSPER IN HIS HAND;** and he shall (7) magnify himself in his heart, and by (7) peace shall destroy many: he shall also (7) stand up against the Prince of princes; (7) but he shall be broken without hand." (Daniel 8:23-25)

DOCUMENTARY: SATAN, THE ANTICHRIST AND THE ONE-WORLD GOVERNMENT

<https://youtu.be/v3o2krpudN4>

In 2016, Saudi Arabia's Crown Prince Mohammed bin Salman launched the Kingdom's VISION 2030 REFORM PLAN. Under the directive of Crown Prince Mohammed bin Salman, the country began its journey of unprecedented historic transformation by implementing reforms in the public sector, economy, and society as a whole.

Creating a vibrant society; The first goal of VISION 2030 is to cultivate a content and fulfilled society, laying the foundation for the 'attainment of economic prosperity'. According to the Kingdom's VISION 2030 official website, THE GOAL FOCUSES ON CREATING STRONG ROOTS THAT EMBRACE MODERN ISLAM.

The ambitions, especially economic ambitions, of Saudi Arabia are totally changing perceptions of

the Kingdom around the world. There is a business community that is more and more interested in these ambitions, in THIS VISION, and in a new generation of dreamers in this country. In the establishment of a European Chamber of Commerce in Riyadh, the recent strides in bilateral relations were lauded. The WEF was an important opportunity to have real and practical solutions for both sides. This testifies HOW MUCH THE WORLD ECONOMIC FORUM HERE IN RIYADH WAS EVEN A CONCRETE AND PRAGMATIC SOLUTION, IN ORDER TO HAVE BILATERALS RESULTING IN MOUS, AGREEMENTS AND NEW PARTNERSHIPS BETWEEN SAUDI ARABIA AND THE REST OF THE WORLD.

Saudi Arabia intends to achieve this by leveraging its unique location and potential, attracting top talent and increasing global investment. To become a leading global economy, Saudi Arabia aims to improve its business environment, restructure its economic cities by creating special zones and deregulate the energy market to make it more competitive. It has also launched new sectors and privatized some government services to diversify the country's economy and ensure its

sustainability. Saudi Arabia aims to leverage its unique geolocation to become a major hub for international trade and form new partnerships that help grow its economy, as well as support the Kingdom's domestic companies by increasing exports.

RIYADH: Riyadh's hosting of the World Economic Forum this week is a signal of the global business community's growing interest in Saudi Arabia's **VISION 2030** reform agenda. WEF's special meeting on global collaboration, growth and energy for development took place in the Saudi capital on April 28-29 and was attended by 1,000 government, business and civil society leaders. The EU special representative for the Gulf region, believes the choice of Riyadh as the summit venue reflects changing global perceptions of the Kingdom.

THE FACT THAT THE WORLD ECONOMIC FORUM, FOR THE FIRST TIME, IS IN RIYADH, TESTIFIES TO THE INTEREST OF THE BUSINESS COMMUNITY AT THE WORLD LEVEL ABOUT THE VISION 2030 PROGRAM.

The bilateral alignment between the EU and Saudi Arabia has grown even stronger, with a particular focus on common security interests. There is a strong alignment between European Union member states and European institutions and Saudi Arabia, but I would say even the GCC countries about the two-state solution for the Middle East peace process. The awareness from our side of how much the GCC countries are strategic partners, not just for the contingencies, not just for what is happening now, but for the next decades is even more. This awareness is increasing a lot, not just at the member states level, but is growing around the world. This is due in part to a growing recognition of the Kingdom's diplomatic and economic influence as a regional and global player. Saudi Arabia is becoming more and more the point of reference because now it is implementing its vision for the region that is not just an economic ambition, but is a new policy and new initiatives in order to de-escalate, to make the region in peace. The partnership and the strategic partnership between the EU and GCC countries, in particular with countries like Saudi Arabia, is vital. Last Monday in Luxembourg, we had the high-level forum of the ministers of foreign affairs between the ministers of the EU and Saudi ministers.

BY PEACE HE SHALL DESTROY MANY

We believe, as Saudis, that we require all the sources of energy, be it nuclear, hydrocarbon-based, or synthetic fuels. We are open to choices.” The prince also said the kingdom is “libertarian” in its business approach, willing to share the expertise with other countries and that it is already in business with some European states. “While the technology remains challenging, we continue to work on it to make it

accessible and affordable to all.” “The region has become important in tackling problems and coming up with solutions.” “We are working on the technology to make it accessible to all.”

“The Kingdom will do everything it could to push in the direction of a two-state solution and that he was hopeful the international community would do the right thing and make the concept a reality.

If we all agree that the Palestinian state and giving the Palestinians their right, is the solution that gives everybody what they need: SECURITY, STABILITY, their rights, then we should all decide we’re going to invest all of our resources in making that happen. “If we make that decision, the pathway will unfold before us. There are levers clear, there are levers hidden, that can push us in that direction. So I want to be hopeful ... and I know that we as the Kingdom of Saudi Arabia will do everything we can to push in that direction.”

“In the long term, we need to find a way to end this conflict (for good), and the only way we end it is by having a two-state solution, so we need to chart a clear, time-bound irreversible path to a Palestinian state. “Saudi Arabia has said in terms of normalization (with Israel), this would be a part of that. The Arab world has had a position with regard to the Arab Peace Initiative, the US and the rest of the world supports this, so we need to make sure we stop the fighting, increase assistance and come up with a pathway to that Palestinian state.”

With budgets squeezed by rising prices and limited donations, humanitarian agencies are struggling to respond to the world’s multiple, overlapping crises, contributing to a rise in malnutrition, the World Food Programme’s regional director for the Middle East, North Africa and Eastern Europe, said that her agency had been forced to reduce its assistance to communities in several crisis contexts. “This is due to conflicts, the impact of COVID-19, and the impact the Ukraine war has on food prices.” “Hunger is going up and governments are now looking at their own economies and needs. “The humanitarian system is really challenged. It is a dramatic situation.” “We signed an agreement where KSrelief. “The focus of these contributions is of course saving lives and providing nutrition with a focus on mothers, pregnant and nursing mothers and young children under two.” The population has been brought to the brink of famine. “I have never

seen, even the world has never seen, such a rapid increase in hunger, where now 50 percent of the population is starving.”

Saudi Arabia’s government plans to create a fund of about \$40 billion to invest in artificial intelligence, Saudi representatives have indicated to potential partners that the country is interested in supporting a variety of tech start-ups associated with AI, including chip makers and large-scale data centers. The Kingdom as a prospective hub for AI activity outside US, citing its energy resources and funding capacity. The Kingdom has the “political will” to make AI projects happen and ample funds it could deploy to nurture the technology’s development.

*Mohammed bin **Salman’s EFFORTS TO EXPAND GLOBAL UNITY AND COLLABORATION** with both regional and global allies **TO BETTER SECURITY AND PROSPERITY**. MBS highlighted the Kingdom’s success under **VISION 2030** that has brought investment opportunities in trending sectors across the economy. He also discussed the big changes made in the last eight years to help businesses grow, referencing the growth of the Public Investment Fund (PIF) to become a massive sovereign wealth fund worth a trillion dollars.*

*According to SPA, MBS also announced the Kingdom’s economy has reached a significant milestone where the country’s current non-oil GDP surpassed 50 percent of the total GDP in 2023. He emphasized the significance of investing in research and development, which has boosted national industries and fueled the Kingdom’s digital economy. **VISION 2030** also had societal impacts as MBS noted significant improvements in quality of life, social mobility and inclusion. Talking about the future, **MBS EMPHASIZED SAUDI ARABIA’S INCREASING GLOBAL IMPORTANCE** as a hub for transit, technology and trade. He characterized **VISION 2030** as a journey rather than a destination, inviting collaboration, growth and development opportunities with international partners.*

Make Your **(7) Decision for Christ NOW!!!!!! Time is Up!!!!!!**

Jesus Christ's Offer of Salvation:

<https://youtu.be/4lzupUaqVM0>

The ABCs **(7) of Salvation through Jesus Christ (the Lamb)**

A. (7) Admit/Acknowledge/Accept that you are sinner. Ask (7) God's forgiveness and repent of your sins.

. . . "For all have sinned, and come short of the glory of God." (Romans 3:23).

. . . "As it is written, There is none righteous, no, not one." (Romans 3:10).

. . . "If we say that we have no sin, we deceive ourselves, and the truth is not in us." (1 John 1:8).

B. Believe Jesus is Lord. Believe that (7) Jesus Christ is who He claimed to (7) be; that He was both fully God (7) and fully man and that we are (7) saved through His death, burial, and resurrection. (7) Put your trust in Him as your (7) only hope of salvation. Become a son (7) or daughter of God by receiving Christ. (7777777) 7x7

. . . "That whosoever believeth in him should not perish, but have eternal life. For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his son into the world to condemn the world; but that the world through him might be saved. (John 3:15-17). For whosoever shall call upon the name of the Lord shall be saved." (Romans 10:13).

C. Call upon His name, Confess (7) with your heart and with your lips (7) that Jesus is your Lord and Savior.

. . . "That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation." (Romans 10:9-10).

. . . "If we say that we have no sin, we deceive ourselves, and the truth is not in us. If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness. If we say that we have not sinned, we make him a liar, and his word is not in us." (John 1:8-10).
